Security Manual:

1. The Committee discussed the Security Manual with particular attention being given to the emergency provisions submitted by Air Force and to the question of the limits of delegations from CIA to the participating agencies. These matters will be reviewed further at the next meeting.

Principles for Sanitization with Regard to Photography:

2. CIA submitted a draft of sanitization principles for discussion in reference of the provision of the Security Manual that ARC would give guidance to ARC Sanitization Board. The chair requested that this document be studied further and other ideas be submitted at the next meeting. The chair also requested [redacted] to submit, as soon as feasible, proposals for sanitization principles to be applicable to the fields of [redacted] respectively.
